

UK2LEARN SUMMER PROGRAMME 2020

Summer Programme 6th July - 19th July 2020

Accredited by the

for the teaching
of English in the UK

Welcome!

Suzie and Alex would like to wish everyone a warm welcome. We are absolutely delighted to present to you the UK2Learn Summer Programme brochure for 2020.

We invite you to join us this year along with many other students from all the corners of the globe to learn diverse skills, explore new interests, see some amazing sights, meet like minded young people and develop your English language.

At the heart of our Summer Programme is a professional and friendly team, dedicated to making your stay as enjoyable and rewarding as possible, and we are all looking forward to making this year the best yet!

So come on! Sign up today, become a part of the UK2Learn family and spend an unforgettable summer in England having the adventure of a lifetime.

See you soon!

Alex & Suzie

Why is UK2Learn the best choice?

UK2Learn has run exciting and engaging international study programmes for almost a decade, and has created a perfect formula that has students coming back time and time again to learn in a safe and stimulating environment.

Led by qualified and experienced teachers that have worked with UK2Learn for many years, the Summer Programme is a perfect combination of education-based learning and extracurricular activities. This ensures that students have plenty of fun whilst also expanding their knowledge of English and learning new skills.

UK2Learn are a family-run education provider that fully understands the importance of ensuring that students have a strong, trustworthy, and reliable support group around them when they are far away from home. UK2Learn's team become a part of every student's extended family, helping them thrive and get the most out of their experience.

Another reason UK2Learn is the best choice is that local English students join in classes, sports, activities and excursions, meaning international students are able to practice their English with local students of the same age.

UK2Learn's Summer Programme encourages students to use their English language and enables them to try out new activities and improve on existing skills. That is why UK2Learn is the best choice!

Our Venue

King Edward's School is the exclusive host of UK2Learn's Summer Programme. The grounds are set right in the heart of the Surrey countryside, only one hour from central London. Our accommodation will be within the main school and all our activities and classes will be held in the junior school, Barrow Hills. The school has a rich, traditional English boarding school heritage with well equipped classrooms, excellent accommodation and modern TV and games rooms, all surrounded by beautiful woodland and large playing fields.

“From the moment I arrived, I felt like I was at home.”

visit www.uk2learn.com for more information

Accommodation

UK2Learn's accommodation gives students the feeling of being at home by providing them with warm and comfortable bedrooms, modern bath and shower rooms, fully equipped kitchenettes and a weekly laundry service.

Girls and boys will be accommodated in 2 and 4 bedded rooms in a purpose built boarding house with recently refurbished bathrooms and a large TV room with a pool table, table football and a table tennis table .

If students would prefer to stay with a host family during their time on the Summer Programme, UK2Learn has a network of wonderful and accommodating families in the local area that students can stay with. All families have completed the necessary security checks and have been visited by UK2Learn.

Meals

UK2Learn offers an excellent range of delicious food, breakfast and dinner will be served in the King Edward's School dining hall and lunch will be served in the Barrow Hill's dining hall. There will also be tea, biscuits and juice breaks twice a day and on excursion days a nutritious packed lunch will be provided.

In addition, if students are feeling a little hungry before bed they will be able to help themselves to tea, toast and fruit in their boarding house kitchen.

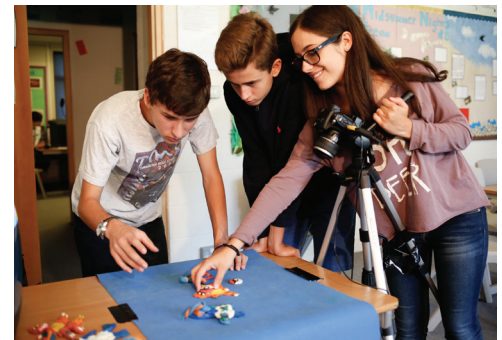

Please note that UK2Learn is able to cater for most dietary requirements upon request but it cannot be guaranteed that all food will be totally nut-free.

"The food is the best at UK2Learn. I am never hungry!"

English as a Foreign Language (EFL)

UK2Learn understands that students may not want to spend their summer holidays in a classroom. Which is exactly why all of UK2Learn's EFL classes are engaging, creative and most of all just great fun! On the first full day of classes, students complete a short placement test, before being divided into groups according to their age and language ability. Classes have an average of 10 students and a maximum of 16. Every week students will attend a total of 15 hours of EFL classes in the mornings and at the end of their two week programme they will be presented with a certificate in recognition of all their hard work. At the final certificate ceremony each EFL class will be given the chance to showcase all the fantastic work they have produced to an audience of their fellow students, teachers and even a few parents.

Active English Classes

As the name suggests, these are active classes that enable students to improve their English language skills by participating in a fun, hands-on activity of their choice. UK2Learn encourages students to be inquisitive and ask lots of questions to make sure they get the most out of their time on the UK2Learn Summer Programme. Here are some of the Active English Classes that UK2Learn has to offer this year:

Animation

Step into the amazing world of animation with our creative animation classes, and open your eyes to every part of the film making process from idea creation to the final cut.

Get hands-on and create your own models from scratch using a choice of materials, discover more about the audio and visual tricks of the trade, and see your story come alive by developing an exciting short film.

Art

Take your art skills to new heights, and sharpen your hand and eye coordination as you learn about different art styles and interpretations. We'll help you discover new ways to draw by undertaking a variety of activities, and using a combination of art tools such as watercolours, clay and charcoal.

Baking & Cooking

It's time to get baking and cooking in 2019! You can create a fantastic new recipe or learn to make some of your favourite foods, whether it's a sizzling hot pepperoni pizza or a delicious sponge cake you will definitely be licking your lips after this class.

NEW FOR 2020

Business Bootcamp

Take this chance to create real companies from scratch, develop brands, build products and learn how to market and sell - and, of course, make real money. This dynamic, hands-on and real-world programme has been designed to nurture the next generation of free thinking high-fliers.

At the end of the two week programme new young entrepreneurs will launch their new businesses at the Guildford Children's Business Fair, Surrey's largest fair for young entrepreneurs and have the chance to make real money!

"We had an amazing experience with all the incredible people and we realised that we ended up speaking English 100% of the time!"

DJ and Music Production

Get adventurous and explore music by grasping the fundamentals of DJ and music production. Learn the basic techniques to beat match, mix songs, and even create an original track.

Immerse yourself in music creation and tinker with the latest gadgets to add effects and create your own musical masterpiece to become the next DJ superstar!

Drama

Spark your imagination and explore a love of performing arts with our dynamic, lively drama classes that focus on practice and performance techniques.

Channel the inspiration, energy and confidence gained here to create a final performance for all students to enjoy. It's a must-do for all drama queens, and kings!

Fashion & Textiles

Fire your imagination and leap into the world of fashion. Who knows, this class may help you on your journey to design the next big trend!

Bring your flair for fashion to life as you create and print your own clothing designs. Move rapidly from the basics to finalising your chosen garment, to be modelled in the fashion show.

Filmmaking

There's no better way to learn a new craft than actually doing it for yourself, and this is an opportunity for all aspiring filmmakers to put together their own creation. Let your creativity flow and use state-of-the-art equipment to write, design and edit your own masterpiece.

Our industry expert also provides fascinating behind-the-scenes insights, from camera techniques to special effects.

Music

Pop, rock, jazz, rap or even classical! Whatever your favourite musical genre might be, you will be able to practise and perfect your favourite song which you can then perform at the UK2Learn talent show.

Musical Theatre

If you're an ambitious young performer who loves to sing, dance and act, and dreams of performing on stage, our musical theatre class is your chance to be in the spotlight. Discover the secrets that performers in the big shows use including voice projection, improvisation and song-structure.

Try your hand at solo pieces, duets or an ensemble number; in this high-energy, challenging class. Learn the basic skills needed to perform as well as the ability to choreograph a fabulous show for the final ceremony. It's a fun theatrical experience, not to be missed!

Photography

Have fun behind the camera, and discover the endless possibilities of photography with plenty of hands-on practice in this easy-to-understand class.

Learn how to use the various functions on your camera, and discover the shortcuts that will ensure your snaps are the best they can be. The wonderful photographic images you capture will then be used to tell a story for your own individual sketch book.

"I loved creating my own models and then making them move on camera in the animation class"

Student Life

Your summer starts here our Summer Programme is a unique opportunity to sample student life in the UK whilst also improving your English skills and trying new subjects and skills. Together we hope this will create one of the most memorable summers of your life.

At the end of the programme, a final ceremony is held to celebrate our achievements. This brings everyone together, including parents and teachers, and is an opportunity for student to showcase their new skills to an audience. Students are then presented with a certificate in recognition of their work and medals are awarded to outstanding students.

For a better idea of student life visit our website and Facebook page; there are many photographs capturing the spirit of what students love about living, learning, socialising and being part of the UK2Learn community!

Sport and Evening Activities

You'll never find yourself with nothing to do! Our sports and evening activities are an important part of the UK2Learn experience. Students can try their hand at a new sport, develop their existing skills, or simply have fun getting active. From football, volleyball, and basketball to rounders and swimming, there is wide choice to keep you busy.

The pace is just as fast in the evening, with a different activity every day from karaoke, film night and games, to an egg hunt, t-shirt making, and cooking; all great ways to end a day.

Excursions

UK2Learn visits some of the most exciting and world famous attractions and landmarks in the UK. For Summer 2020 they include the following:

- London, to include Buckingham Palace, Changing of the Guard, St James' Park, Trafalgar Square, Big Ben and either Covent Garden or Oxford Street for shopping time or an optional visit to watch a west end show in a London Theatre.
- Guildford, to include The Castle, historic cobbled high street for shopping and entrance to Guildford museum.
- Oxford, to include a walking tour around the historic streets and colleges, the Radcliffe Camera, and the newly opened shopping centre
- Harry Potter World, to include a visit to the scale model of Hogwarts and a tour around the film studios.

For our final excursion, students will have the choice of visiting either:

- Thorpe Park theme park
- or
- London for a second time, which will include the London Eye or The London Dungeons, followed by the Science Museum or shopping time.

Medical Cover

Staff trained in first aid are available 24 hours a day in case of emergency.

The majority of healthcare services in the UK are free, however valid health insurance for the duration of your stay is highly recommended.

Fees

UK2Learn is excellent value for money, and demand for our programmes is high. Book early to reserve your place as availability for 2020 is already limited. To confirm fees, please contact the UK2Learn office.
